Assessor Comments	A great opportunity to buy a line of steers that have all the hard work done, weaned and going forward these steers are perfect backgrounders to put on the oats. Steers are grass fed and Antibiotic free Eligible that really open up so many more markets out the other end. Steers have been weighed into a tight weight range for ease of selling out the other end, 145 - 195 full at assessment, Steers are well handled and will steam ahead given a rising plain of nutrition. Pleas see another 5 lines of steers and heifers for sale that are out of the same mob.
