Handled With	Dogs , Horses , On foot			
Assessor Comments	11 Angus Steers that weighed from 200kg - 250kg to average 229kg at assessment. A quality line of steers with a very good temperament and all weaned. Perfect article to put on oats or improved pasture to target the spring feeder market. PLEASE NOTE: 1 steer with a small lump on his face - please use media as a reference point.			

Assessor	Joel Fleming (Level 1 Accredited) Phone: 0467 725 195
