| Handled With       | Excellent young weaners to handle - the vendors take great pride in their low stress stock handling and it goes to show in the way these cattle behave.<br>Bikes , Dogs , Vehicles                                                                                                                                                                                                                                |
| Assessor Comments  | Excellent line of Angus heifers sired by Hazeldean & Trio Angus bulls focusing mainly on EMA, IMF, growth, constitution. The "Baringa" cow herd consists of medium to larger framed matrons which originate from Hazeldean bloodlines, with Dunoon infusion over the last few years. The temperament in these heifers, is second to none. Bid with confidence - previous purchases have always been very pleased. |
