Assessor Comments	30 vendor bred pure Orlanga Angus blood steers. A very even line of steers that have a tight weight range of 240-311kg to average 282kg at assessment. Bred from the Orlanga Angus herd that pride themselves on the temperament and structural			

correctness of their cattle with no exceptions for these steers. Currently grazing old lucerne stand and supplement fed oaten silage. Presenting in store condition and ideally suited to go onto grazing crops. Buyers, please note vendor has 24 heavier steers in the same sale.
