Assessor Comments	A small, good quality line of F1 weaners. They are the vendors annual turn off of weaners, out of Large framed Angus cows & are sired by high marbling wagyu bulls. Wagyu sires are: YALFR31 & YALFR41. They were very quiet & easy to handle throughout assessment. Buyers please note, they are sold with the right to leave the 1 baldy faced heifer out of the sale.
