Assessor Comments	47 angus Hereford x Strs 25BB 22HFD extremely quiet and well handled, steers are from a Xbred herd of cows, majority of cows heading towards a beef breed as shown in the calves. Emphasis in these steers being extremely well natured and quiet, showing very good bone and breeding. Vendors would generally run these steers out to be bullocks, being offered due to seasonal conditions. Weaned, VB and 100% grass fed steers that would go forward every day you have them and make terrific bullocks.
