| Assessor Comments | 76 Angus steers - EU accredited, Aug/Sept 2023 drop, pure Te Mania blood weaner steers. They received their second 7 in 1 vaccination & Cydectin Platinum drench at weaning on 29/04/2024. These steers are sought after by repeat purchasers year after year for their doing ability & their exceptional temperament and are only being offered early due to the tough seasonal conditions. Vendor has been sourcing bulls exclusively from Te Mania for the past 11 years & selects bulls with a high focus on shape, temperament & structure. They come with my highest recommendation!! ** Please note: Vendor also has another 115 steers in the same sale averaging 225kg.** |
