Assessor Comments

40 well grown friesian steers with all the hard work done, will grow into very handy steers if shown the right feed. They are very quite cattle and were great to handle with all of them being bucket reared by previous owner. They were all weighed

and averaged 374kg at assessment and ranged between 300-450kg. Please note that the same vendor has another 11 head in the same sale just the beef X ones.
