	Calves are very quiet really had to use a bit of force to push them through the race and onto the scales. Only time the calves showed any sign of run was getting back to the cows.		
Handled With	Bikes , Vehicles		
Assessor Comments	An even light weight draft of steers to tuck away over the winter that will continue to improve with feed ahead of them. Calves are out of Angus Devon Park bred and blood cows and by Woonallee Black Simmental/Angus X Bulls. Calves are nice and quiet to handle and with a few hands had to push them up the race to the scales. It has been a tight tough last 8 weeks and calves present in lighter condition as a result of this.
