Assessor Comments	Buyers a nice line of young Speckle Park sired cows PTIC to Wattle Grove Speckle park bulls, these cows have had their first & second calves calves of which some of the steers are being offered in the weaner sale. These cows will have had calves weaned off them on the 6 of may and are powering ahead since then. A good opportunity to get into the speckle park industry. With young matrons with their whole breeding lives ahead of them. Ideal for the smaller holding or to add to you herd. Odd cow with a slight blue eye. Only being sold due to loss of Agistment paddock.
