	Cattle are handled by experienced stock women and have excellent temperament. This was evident throughout the assessment and cattle were a pleasure to handle.		
Handled With	Bikes , Dogs , Horses		
Notable Traits	Traits 2 Head White patch on or around udder		
Assessor Comments	Excellent quality line of 2021 drop Angus heifers PTIC. Expected to commence calving in late july these young females are well grown for their age and carry their weight very well. They are genuine larger framed females and are bred from a local herd with plenty of performance attributes. Offered for genuine sale due to the tightening season they will compliment any herd going forward. Noted two heifers with blue eyes at assessment. For more information please call.
