Assessor Comments	Quality line of NSM Angus Heifers with calves at foot. These first-time mothers are doing an excellent job on raising their calves. Calves at foot are sired by Brungle Angus bulls. Ranging from 78kg to 101kg to average 88kg at 6 to 7 weeks of age with 4 heifers & 3 males (calves are un-marked). Females are sired by Arden Angus bulls and are bred out of large frame Angus mothers. These units are only being offered to the market due to the season, normally would be retained. Excellent opportunity to secure quality Angus heifers & calves which would be an asset to any herd. Cattle come highly recommended!
