Assessor Comments An outstanding line of 19x19 vendor-bred 'Table Top' Angus blood heifers and calves. Tops of the 2022 drop heifers. An opportunity not to be missed with this herd, usually being retained but selling due to the seasonal conditions. These heifers show excellent frame and type and will mature into exceptional breeders, providing quality progeny for many years. The heifers are dedicated to their young calves, keeping them fully satisfied considering these dry seasonal conditions. Please note: Most heifers show white spots or patches on udders. Calves not marked & no health treatment.
