Handled With	Bikes , On foot , Vehicles			
Notable Traits	Traits 2 Head light pink eye scarring in one eye 7 Head white udder			
Assessor Comments	A/c EA Prowse "Frederick Hill" offer their annual draft of 5 to 6 year old cows. These females are PTIC to Te Mania Angus bulls to CC early August for 9 wks, 43x 2018 & 14x 2017 with all females born in Aug/Sept of their respective years. The Prowse family have been selecting top end sires from the well renowned Te Mania Angus stud for the past 20 years. Bull selection is a stringent process where key traits such as moderate birthweight, 400day growth, temperament & structural confirmation are all a key focus. These females where classed into the Prowse breeding operation as heifers & have stood up to their selection criteria each year however there is a small percentage of cows that carry small hairline cracks & long toes (small tail removed at assessment). The entirety of this lot is pure Te Mania blood & are an exceptional line of Vendor Bred cows that would compliment any commercial operation. For buyers confidence these females will be re pregnancy tested before delivery.
