Assessor Comments	Excellent opportunity to buy a very well-bred line of NSM cows & calves from a foundation Team Te Mania herd. These are only being sold due to being out of sync with the spring calving herd. These cows present in very good order weighing 638kg (542-806kg) and the calves averaged 130kg (76-207kg). The herd has a long history of selecting bulls focused of growth traits, EMA & \$ indexes and the herd is a long-term supplier to Rangers Valley Feedlot - they are a herd with a very good marbling reputation.
