Pregnancy Terms	AuctionsPlus Standard Terms apply.		
Assessor Comments	Excellent line of young ewes, the ewes are being sold due to part of the property being for sale and vendor needing to reduce numbers. The ewes would make an excellent line for someone to build flock numbers, be these ewes produced 6kg of wool at 10 months and would suit a 6 or 8 month shearing if need be. Noted was several ewes with small wether type horn and several with long toes.
