Assessor Comments	**STATION MATED EWE LAMBS** 70 Pure Australian White Ewe Lambs. Sept/Oct Drop '23. 50kg at assessment. These lambs are sired by Red Hill & Regal Australian White Rams out of western bred Ewes that consist of Pure Australian White as well as some F2 Australian White X Australian White/White Dorper Ewes. Ewe Lambs were Station Mated to Red Hill AW Rams @ 6% on the 29/1 for 4 wks. These lambs are well balanced, long, deep-bodied, with great genetics. These young fertile Ewes are very good quality & carry my highest recommendation!
