| Assessor Comments        | An Outstanding line of Bundilla blood merino ewes rising 5 years old that are SIL to Quality Poll Dorset rams. A fantastic opportunity to put together young merino ewes backed with some of the best Bundilla Genetics. These ewes are Large to medium frame and are the top of the drop for their age group. The Vendor culls on dry ewes each year and no dry's are retained with a big focus on fertility and wool cut. A genuine Flock dispersal sale!!! Ewes will be priced to sell!!! 1300 breeding ewes on offer from the one vendor. RWS and AUTHENTICO accredited. Highly recommended by the assessor |            |                     |            |
