Assessor Comments	A unique opportunity to acquire stud quality animals with all the breeding behind them. These ewes and lambs are the basis of the vendors stud flock of Aussie white sheep which are all pure Tattykeel blood. 16 of the ewes were purchased out of Tattykeels premier ewe sales and the lambs are sired by an ET bred Tattykeel stud ram. The ewes are stud registered and can be transferred at the purchasers cost. They are only being offered as the vendor is relinquishing stud sheep breeding and due to the late autumn being experienced in SW VIC they have to go. The lambs at foot are all singles and present unmarked should the successful purchaser wish to keep them as rams. A fine example of the breed which would suit any operation whether that's stud or commercial use.
