Assessor Comments	Buyers today on offer we have 18 Weaner Heifers. Majority of the Heifers are of a Santa, Droughtmaster, Brahman Cross Cow herd and are an average weight of 231kg on delivery. All Heifers are bred in light forest country and are ready to perform given the right opportunity. The Heifers are currently being weaned in the yards, fed Hay at night and tailed during the day. Its a credit to the breed to see how well the Heifers have grown. Heifers were all very soft and easy to handle on assessment which is a true credit to the Vendor. Please note these cattle are in the Tick area and will require clearing to enter the clean area and this will be at the purchaser's expense, Vendor has pretreated to help this process.
