Steers were very good to handle with a small percentage stirring in the crush and 1 remaining agitated in the yards after.

Handled With	Bikes , Dogs , Horses , Vehicles
Assessor Comments	A small line of crossbred steers presenting in fresh store condition. Steers were good to handle with a small percentage stirring in the crush and one remaining agitated in the yards after. Steers are showing good frame for weight and should give good compensatory weight gains for buyer with them just starting to really move forward.
