Assessor Comments	A quality offering of F1 Wagyu, mixed sex weaners (17 steers, 11 heifers) that present in forward store condition. All weaners are vendor bred and out of a quality line of Angus cows that are of Bald Blair and Kenny Creek bloodlines. Bulls used were Arubial United (AI), considered one of the leading bulls in the Wagyu breed and Trent Bridge K0012. Weaners were very easy and quiet to handle through the yards and will excel in any future program. Please note that the bulls pedigree/details are in the photos.
