Assessor Comments	Buyers 10 Booroomooka Angus heifers, purchased directly from the leading Angus stud as light heifers. These heifers are quiet and would be ideal little mob to put to the bull of your choice or they have plenty of frame they would just as ideally go on the feed and would hit most kill jobs, if given the opportunity. 8 of these are ex-stud heifers who are being sold as commercials and have the rest of their lives in front of them. They are August - October 2022 drop. At least 1 heifer is seen with blue eye scarring and 4 heifers have white on their udders or bellies. 1 heifer does have a birthmark on cheek to ear, refer to photos for clarification on this. Lovely quiet heifers.
