Assessor Comments	A nice neat two deck load of Angus x Angus steer weaners. Ex Rennylea based females by Millah Murrah, Choice and Hollywood Angus bulls. These calves were weaned on the 12th of April with an eye on going to the CTLX Blue Ribbon weaner sales. A change of tact sees them being offered here on Aplus and to your buying advantage they now have almost a full month of weaning under their belts and present exactly as you would always want to buy them,. They are absolutely dog quiet to handle, they have been drenched, vaccinated, mineral shots and they have received both the Bovi Sheild MH-One and Rhino Guard IBR shots. Nothing more to be spent here on animal health, they are as close to "set and forget" as they come! Well worthy of close consideration. Note lighter draft being offered in same sale
