	Calves have not had alot of handling to date and we such a pleasure to work and assess, moved through the yards calmly and without a fuss.		
Handled With	Bikes , Dogs , Horses , On foot		
Assessor Comments	Small line of vendor bred weaners, out of large frame cows purchased from Auctionsplus. The calves are by a Noonee Angus sire, and are showing great weight for age already considering the reasonably tough spring and summer we have had. The calves were very deep sided and wouldnt hesitate to recommend them to anyone who wanted some replacement breeders. They have the quality and temperament for this.
