Assessor Comments

A good line of Angus and Angus cross steers, weaned and in store condition. These cattle are part of a larger mob purchased from Mt.Barker in WA and were trucked across approximately 8 weeks ago. They have acclimatised well after their journey and have freshened. There is the odd animal with a blemish on the eye, not detrimental. Ideal to take on to winter crop to grow out to feeder or trade weights. Vendor has four other lots, 240 head total, in this sale.
