Handled With	Mob were generally good to handle. Drafted up with minimal fuss, the odd animal fizzed up while on scales. Bikes , On foot , Vehicles		
Assessor Comments	A good line Angus and Angus cross heifers, weaned and in store condition. These cattle are part of a larger mob purchased from Mt.Barker in WA and were trucked across approximately 8 weeks ago. They have acclimatised well after their journey and have freshened. There is the odd animal with pinkeye scarring, not detrimental. Ideal to take on to winter crop to grow out to feeder or trade weights. Vendor has four other lots, 240 head total, in this sale.
