Assessor Comments	The Possum Point Station Annual drop of Steers! Boasting a long rich genetic history dating back over 100 years, these cattle need very little introduction! Bred for structure, early growth, positive carcass figures & a strong focus on docility, these are high performing cattle that always attract the attention of repeat purchasers. Long barreled, deep bodied, & with an enormous amount of bone. Cattle that will carry a huge amount of weight and be high yielding finished bodies. These cattle were bred to be bullocks!
