Cattle were a pleasure to handle throughout the whole assessment process and have clearly had a lot of education. Went through the weigh crush 2-3 times with no fuss or pushing and all walked slowly out of crush. These steers have had extensive training and would suit the most discerning buyer.

Assessor Comments	44 Exceptionally bred weaned steers with all the hard work done. Bred out of Wattletop & Glenavon cows with approx 50% being AI sons of Ardrossan Nectar Q67 (top priced bull 2021) with backup bulls Dunoon R382 & Sprys S509. The McCrohans place a huge emphasis on growth & structure with these backup bulls being in the top 1% & 9% for 400 day growth. Steers present in genuine store condition and are of excellent temperament. Cattle that will no doubt perform given an opportunity.
