Assessor Comments	Very well bred backgrounder steers with all the hard work done. Bred out of Wattletop & Glenavon cows with approx 50% being AI sons of Ardrossan Nectar Q67 (top priced bull 2021) with backup bulls Dunoon R382 & Sprys S509. The McCrohans place a huge emphasis on growth & structure with these backup bulls being in the top 1% & 9% for 400 day growth. Steers present in genuine store condition and are of excellent temperament. Cattle that will no doubt perform given an opportunity.
