Notable Traits	Traits 1 Head Small wart(s) 2 Head Small white splash on flank
Assessor Comments	Tops of the drop of the N & T Galvin steer weaners. Well bred young cattle carrying pure Te Mania Angus genetics. These Steers show good length and shape, and are renowned performers, often being purchased by in-house clients on a repeat basis. Cattle that have the scope to handle any operation and will have no trouble meeting those Feedlot or Export weight ranges. Out of Medium-Large Framed Cows, These Steers will not keep you waiting too long once they have filled out and begun to finish. Steers have been well looked after and given the best start in life, only taking forward steps.
