| Assessor Comments  | Nice line of grass feed steers that won't take long to get to trade or export weights in any program given the time and feed. Steers are up to date with health treatments and are quiet and easy to handle.                                                                                                                                                                                 |
