Assessor Comments	Excellent Bred Steer Weaners with 20 Years of prodomentley Ardrossan and Connamara Angus blood lines used. These steers are the tops of the drop and have done exceptionally well for there age. The steers are out of some of the best bred cows in the District and these calves generally are in the top weaner prices in the Euroa June Sales. Great to handle in the yards. Very Quiet when moving around taking photos. Please note that 7 steers have a pea size blue dot in an eye that reflects a very small pink eye scaring but are not affecting the performance of the calves.
