Assessor Comments	A nice line of Charolais/Angus X Steers being offered off "Brung Brungle". These Steers are a genuine August/September 2023 Drop and were only weaned 5 days before assessment. They were still in the containment yards on hay so the 290kg curfewed weight will be very generous. The steers are out of good roomy Angus Cows by the Mount William Charolais Bull so will be ideal steers to background to feed. Normally these steers would be carried on longer but with the seasonal conditions are being offered for sale. ***Please Note this Vendor has another three lots of cattle in this Sale***
