Handled With	This was the first time over the scales as they had only been weaned 5 days before assessment so handled it pretty well. Bikes , Vehicles
Assessor Comments	A nice line of Charolais/Angus X Heifers being offered off "Brung Brungle". These Heifers are a genuine August/September 2023 Drop and were only weaned 5 days before assessment. They were still in the containment yards on hay so the 280kg curfewed weight will be very generous. The Heifers are out of good roomy Angus Cows by the Mount William Charolais Bull so will be ideal Heifers to background to feed. Normally these Heifers would be carried on longer but with the seasonal conditions are being offered for sale. ***Please Note this Vendor has another three lots of cattle in this Sale***
