Assessor Comments	Buyers, here is a top line of A grade bred EU straight Angus heifers averaging 421kg. These heifers present in good fresh condition with great breed type. Heifers ooze softness with volume, depth of flank and length, show great femininity with plenty of thickness. Heifers are bred out of Invarary (Scone NSW) medium to large frame Angus cows that have been bred for IMF, by top quality stud Lawson, Ben Nevis & Knowler Angus sires. Heifers have never been joined and have been preg tested PTE. Heifers were extremely quiet to handle through yards. This is a great opportunity to purchase Angus heifers with a wealth of breeding. Note 4 heifers had small white under line and 3 heifers old blight scaring but not detrimental. Vendor has others lines in same sale.
