Assessor Comments	Buyers, here is a great line of Pathfinder bred Angus steers with tremendous growth for age averaging 317kg. These steers show great muscle expression with bone, spring of rib and natural skin, and are very soft smooth easy doing types with depth. Steers have very good breeding, being out of Wattle Top, Temania & Bridgewater blood Angus cows by top Pathfinder Angus sires. Steers were very good to handle through yards and will be tailed out with horses, bikes & dogs before delivery. This is an exceptional line of vendor bred Angus steers that are grass only & antibiotic free. 2 steers had small dot on under line.
