Assessor Comments	A great quality line of one brand, vendor bred weaner heifers. Weaners were all pulled off on Tuesday and will ream in weaning yard until delivery, vendor will work weaners through the yard and ensure yard education is correct. Weaners will remain on barley hay and grain until delivery. Great opportunity to secure Millwillah and Eagle Hawk bloodline weaners with good frame and structure to grow on, an opportunity to secure future breeders with the correct genetics behind them. Please note the brothers are in the same sale.
