Generally good to handle. A bit runny through yards but no malice

Handled With	Bikes , Dogs , Horses
Assessor Comments	Light 2 decks of heifers that have been weaned and grassed out onto unsupered country ready to grow in and fatten if given the opportunity. Ideal heifers to freshen up to feeder weight or take onto processing heifers later on. Good frame heifers in good store condition with plenty of compensatory gain to be had. Heifers are held in holding facility due wet weather at other yards. 8 heifers small blue spot in one eye. Heifers handle well through holding yards and into crush. Walked in with ease with buggy and dogs. Prompt delivery recommended due to being in holding yards on hay.
