Assessor Comments	excellent quality line of NSM future breeder heifers. heifers are in ideal joining condition. They stand very even as a group and in predominately forward store condition. Heifers are well grown for their age and would compliment any operation going forward. Heifers were purchased with the intention to grow out and reoffer to the market and now offered for genuine sale and would make a perfect autumn joining article if desired and come with my highest recommendation. Alternatively would be ideal to put onto feed. Please view video to fully appreciate the quality of these females. 1 heifer noted with a tiny scarring not being detrimental in anyway.
