Assessor Comments	Second Draft of 500 Steers Bred on Widgiewa station. These steers present in true store condition, representing a wonderful opportunity for someone experiencing a good season to take advantage of the compensatory weight gain that will be seen in these steers going forward. Throw the calculator away, if you are fortunate enough to have feed in front of you this is $$$ staring you in the face IMHO. Small percentage have old pink eye scaring but not considered detrimental, very odd steer displaying small amount of burr on head. 116 of 232 Second draft, will be sold as a run out of the gate. Vendor has another 3 lots in sale
