Assessor Comments	Phil & Gwen Lavis offer 130 one mark Angus Steers. These steers display frame & stretch, and present in true store condition. Dunoon and Fernhill Angus blood. Steers were individually assessed & weighed into a tight 60kg weight range. Great opportunity to purchase a very large & even line of weaned steers that given the right opportunity will perform very well. Every year these cattle improve with the vendor sourcing high quality Angus bulls, focusing on temperament. Tail draft has been removed.
