	Exceptionally well mannered young heifers that have had docility bred in to them over many years, as well as correct handling, and quiet management. Well educated from a young age & handled with dogs, horses & bikes throughout their young lives. All brought from the backyard by a single handler, mostly self fed up the race and were all extremely well mannered in the crush, standing quietly & exiting at a walk, even after receiving their 7in1 booster needle.		
Handled With	Bikes , Dogs , Horses , On foot , Vehicles		
Notable Traits	Traits 1 Head Minor eye Blemish 1 Head Minor, healing/healed Ringworm 4 Head White splash on flank, But not forward of the navel 1 Head White splash up to the navel		
Assessor Comments	The Possum Point Station Annual drop of Heifers! An opportunity to secure a small draft of the renowned Possum Point Angus Heifers, at an affordable age/weight, and in a buyer market!! Boasting a long rich genetic history dating back over 100 years, these cattle need very little introduction! Bred for structure, early growth, positive carcass figures & a strong focus on docility, these are high performing cattle that always attract the attention of repeat purchasers. Long barreled, deep bodied, & with excellent bone. Ideal line of heifers with the genetics to let grow out and put a bull over down the track. Please see special conditions of sale*
