Assessor Comments	38 Vendor Bred, Grass Fed, Antibiotic Free Angus steers. Late July/August 2023 drop, sired by Battersby Angus bulls and bred out of Yancowinna and Battersby blood Angus cows. M & M Cattle co have been breeding cattle for 10 years and the cow herd has always been based on top genetics, while focusing on quiet temperament, being structurally sound and good doing ability. They are a credit to the vendor and come with the highest recommendation, with an excellent reputation in South Gippsland. Please note 2 steers had a minor pink eye scar that does not affect his vision, also there is another 18 steer being offered by the vendor from the same property.
