Assessor Comments	22 Hereford Steers - March/April 2023 drop - Vendor has been sourcing bulls from Yarram Park for the past 12 years with a strong focus on growth & stretch whilst maintaining structural soundness. On 20th December steers received a multimin and were drenched with Cydetin Injectable. The 'Nigretta' steers are normally kept and grown out to top feeder weights and are only being offered due to the tough seasonal conditions. *Please note: Vendor also has a line of Heifers with calves at foot in the Eastern States sale and 1 more line of steers & 1 line of heifers in the weaner and yearling sale.
