Assessor Comments	12x12 NSM 2017 drop Cows & Calves Acc. J&K Green Talgarno Vic. Cows present in forward store condition and are all carrying plenty of milk & doing a wonderful job on their Dunoon Angus blood calves at foot. The above cows commenced calving on the 2/03/24 & finished on the 8/04/24. Cows were originally bred by the renowned McCormick Hereford breeders ex. Yea district. These are good quality strawberry roan females that would've been retained if not for the tight seasonal conditions in north east Vic. These 2017 drop cows had a weight range at assessment of 612-810kgs to av 662kgs curfewed. Not rejoined.
