| Assessor Comments  | 4 X 4 NSM Simmental heifers and calves. These outfits are Ten Rose Simmental bloodlines and have February -March drop calves at foot. These heifers are just over 2 years old and are outstanding units that would be a great addition to a Simmental breeding program, with the young calves putting on excellent weight gains. The calves have had 2 x 5in1's and the bulls have been marked. There are 2 other lots being offered from the same property. |                 |               |                 |                                     |              |  |           |      |           |      |   |      |
