Assessor Comments	15x15 NSM, Charolais/Friesian cows, 2.5 to 6 years old. The cows are sired by Charolais bulls and are bred out of outstanding Holstein Friesian cows. Calves are sired by the Angus bull. These cows are giving a power of milk as you can see with the fantastic job they're doing with their calves. They are ideal outfits to add into a vealer program, with an outstanding temperament and ready to be rejoined. The cows have been drenched and the calves have had their first 5in1.
