Assessor Comments	This is a great opportunity to secure some top Hereford genetics. An impeccably bred line of Hereford heifers with calves at foot. 'Nigretta' has been sourcing top end sires from Yarram Park for the past 12 years with a strong focus on growth & stretch whilst maintaining structural soundness. This drop of calves are sired by a team of young bulls that averaged \$21,000 at purchase. The heifers are doing an amazing job with their calves whilst holding their own condition. All heifers at 'Nigretta' are grown out to calve at 3 year old! Calves were marked at assessment and received at 5in1. *Please note: Vendor also has 2 lines of steers and 1 line of heifers in the weaner and yearling sale.
