Assessor Comments	Very good frame western bred straight bodied sheep that are 160% SIL to B /L. These ewes have been joined at vendors property at Tumut however were bred at properties at Molong or Brewarrina . They are fertile , fit and sound . These would make a great short term trade with lambs due start of August for just 6wks and the bonus of a wool cut as well . If more ewes required to make a bdouble load please call Alex Croker .
